Krucial Kuts Presents: NBA Madlibs X

AB: "I have to decide when I'm going to _____^{Verb}_____. I think we have it pretty much mapped out, but it's based on me and my _____^{Noun}_____ and how I'm _____^{Verb - Present ends in ING}_____. But we're progressing because I'm not _____^{Verb - Present Tense}_____ anything. We'll continue to do that. I'm _____^{Adjective}_____. I don't get a _____^{Noun}_____. I don't get any _____^{Noun - Plural}_____. It's _____^{Adjective}_____."

DCDT: "What's the next basketball stage?"

AB: "I have no idea. It'd still be _____^{Adjective}_____, so probably _____^{Adjective}_____ _____^{Noun}_____, going _____^{Adverb}_____ and _____^{Adverb}_____. I'm still _____^{Verb - Present Tense}_____ on that _____^{Noun}_____, taking the _____^{Noun}_____ off. So the first step would be putting that _____^{Repeat Last Noun}_____ back on."
