Why?

Dear Proper Noun,
Why did you have to me? I feel very about your behavior. We used to
be Noun-Plural and now we are Adjective (adj) Noun-Plural (n). When you
I think you owe me a(n) with a(n). Don't assume we will stayNoun - Plural
n).
I hope you understand my decision to (v) you until you (v).
As my (n) once told me, I will now say to you, "Find (n) within your
(n) in return for (n)." I hope you can understand this lesson.
I am only sending this (n) because you are a true to me that I don't want to
