# Beat that beat up

"Th-these expletive clothing. They're too Adjective." He goes to unzip them but he's too drunk and too aroused and his Part of Body refuse to work right and he whines in Noun and Noun.

He glances up at Pauly with an imploring look and all he does is say Pauly's name, but it's so full of Noun that Pauly finds himself reaching for those darned clothing without a second thought.

Pauly fumbles with the button and pulls the zipper of Vinny's clothing down and Vinny immediately lets out a sigh of Verb - Present Tense, his body Verb - Present ends in ING a bit. He allows himself a few measured Noun - Plural to calm down simply because he's so darned worked up and there's no way he's gonna let this end so quickly, not after waiting for it for so long.

Vinny licks his Part of Body. "Here, lemme just..." and he trails off, moving towards the zipper of Pauly's clothing.

Pauly thinks he's just going to return the favor and undo them, but Vinny goes a step further, instead dipping one Part of Body into Pauly's clothing while the other grabs a hold of the clothing and starts tugging. Getting the hint immediately, Pauly shifts his Part of Body up and helps Vinny pull his clothing.

down, \_\_\_\_\_ Verb - Present Tense as the elastic brushes roughly against his \_\_\_\_\_ Part of Body.

Then Vinny wraps his hand around his \_\_\_\_\_ Part of Body and Pauly has to bite back a moan, arching up into the touch with a shaky exhale that ghosts across Vinny's cheek and makes him shiver involuntarily.

Vinny isn't content with making Pauly almost \_\_\_\_\_ Verb - Base Form, though. He adjusts his grip on Pauly's \_\_\_\_\_ Part of Body and sweeps his thumb over the \_\_\_\_\_ Part of Body, catching Pauly's piercing on the way and making him \_\_\_\_\_ Verb and \_\_\_\_\_ Verb his hold on Vinny's \_\_\_\_\_ Part of Body with one hand, while his other grabs roughly onto Vinny's \_\_\_\_\_ Part of Body in an effort to steady himself. Suddenly, his own arousal doesn't seem that important anymore- all he wants at this point is to make Pauly \_\_\_\_\_ Verb for him.

If his \_\_\_\_\_ Part of Body weren't closed in pleasure, Pauly would've noticed how intently Vinny was staring down at him- reading every little shift of his \_\_\_\_\_ Part of Body and twitch of his \_\_\_\_\_ Part of Body, touching him just enough to make him yearn for more. He still hasn't moved the hand around Pauly's \_\_\_\_\_ Part of Body it's really only there to provide \_\_\_\_\_ Noun as he teases him, brushing against the tip and nudging his piercing gently back and forth until Pauly can't take it anymore and all he can manage are \_\_\_\_\_ Adjective whines and a strangled, " \_\_\_\_\_ expletive, Vinny--Please..."
