NFMN

Outside of a city in Northern Minnesota called lived a family of This family
lived on a farm. They raised and grew vegetable-Plural The family really
their farm until one day an unexpected guest came. This guest's name was
First Name of a Person, and he was a We'll just call him a Repeat Last Animal, because that
makes a lot more sense.
So one of the boys in the family,, was out, was out with his
favorite Repeat Last Animal when he heard a noise about feet away. Naturally his Part
of body- Plural perked up. He looked towards the trees, but couldn't sense anything. He started to get
very possessive of the little Repeat Last Animal who was laying by his
Suddenly the Repeat Last Animal jumped out at the boy and his Repeat Last Animal . He screamed, "GIVE ME
SOME !" The boy was to acquiesce, but he had no Repeat Last Food . So he
verb - Past Tense into the house to get some.
The end.
