cool kids

one time there was three Noun - Plural. they were not Adjective. they were Adjective. no
one Verb - Past Tense them. then one day there was a Adjective Noun. she Verb -
Past Tense to be nice to them but they just Verb - Past Tense her down. she said it really hurt. her nee hit
the sidewalk and it started to bleed. Determiner kids thought they were cool kids but they were just mean
kids. the teacher walked up to them and said every Number of you have detention for pushing
Pronoun down. Pronoun all got Adjective but they did not do anything. a few hours later
the principal went over to the Noun - Plural and said why did you push her down. the boys did not tell him.
and then one boy said i did it because she would not leave us alone.
