Regression Analysis Memories

My first memory of regression analysis wasyears ago, when I took Introduction to Statistics.
That class was <u>Adjective</u> ! I had a <u>Adjective</u> professor, named <u>Famous person</u> . I remember
concerned with <u>Verb - Present ends in ING</u> my <u>Animal</u> . Instead of studying I was always
Something you did in college. I ended up needing to cram before every exam and always drank 5 pots of
Drink I spent an all nighter atPlace on campus! I ended up doing fine in that class, but could
never remember how to calculate
regression analysis makes up the basis of a number of statistical methods. I may even use regressions for my
work with A community group you are working with
