Baby Boys

Twinkle twinkle little _____ Noun how I wonder what you are . Oh hello please be quiet,my baby is sleeping .

All right I hear you are going to be a _____ Adjective sibling . Ooohtay ! Come on let's get this show on the road . Ok let's make this easier . Goo go be ! You don't know _____ Noun talk ? Well uhgg,I don't know if I can help youuu . Oh ya here's something you can try ,try turning the page.

Some babies breast feed. That's when _____ Noun - Plural make milk and babies get the milk from a special part of the mommy's body. Other babies are bottle fed. Babies that are _____ Noun fed need formula. Formula is a mixture of water and milk powder. If a baby is bottle fed you need bottle liners, bottles, and _____ Noun - Plural.

Sometimes you can buy all-ready made formula. There are different kinds of formula. Like Soy milk, _____ Adjective milk, Regular milk, and sometimes mommies can pump milk from her body and put it in a

bottle. Some babies like it quiet when they eat. When a baby is big enough he or she is allowed to eat baby food.

Baby food isn't like _____ Noun or breast feeing. Baby food is mashed up things like mashed up potatoes or mashed up green beans. Sometimes a baby will star coughing. If so you should raise their arms up, well at least do something. When you're trying to calm a baby you need to remember they're _____ Noun - Plural, don't get

mad at them. Also if one thing doesn't work go to another thing.Some strategies to calm a baby down are sing a _____ Noun or hold their hand. Sometimes when babies cry they might need a diaper change. Babies cry for a

reason like if they need a diaper change or want to eat and sometimes have a _____ Noun ache. Some people

buy binkies for their babies to suck on, gnaw on ,chew on and stuff like that. People say don't swaddle your baby because

it can cut their Noun off. If your baby is crying sometimes you to talk to them.
