## **Baby Boys**

 Twinkle twinkle little \_\_\_\_\_\_\_\_ how I wonder what you are . Oh hello please be quiet, my baby is sleeping .

 All right I hear you are going to be a \_\_\_\_\_\_\_\_ sibling . Ooohtay ! Come on let's get this show on the

 road . Ok let's make this easier . Goo go be ! You don't know \_\_\_\_\_\_\_ talk ? Well uhhh, I don't know if I

 can help youuu . Oh ya here's something you can try , try turning the page.

Some babies breast feed. That's when <u>Noun - Plural</u> make milk and babies get the milk from a special part of the mommy's body. Other babies are bottle fed. Babies that are <u>Noun</u> fed need formula. Formula is a mixture of water and milk powder. If a baby is bottle fed you need bottle liners, bottles, and <u>Noun - Plural</u>. Sometimes you can buy all-ready made formula. There are different kinds of formula. Like Soy milk,

<u>Adjective</u> milk, Regular milk, and sometimes mommies can pump milk from her body and put it in a bottle. Some babies like it quiet when they eat. When a baby is big enough he or she is allowed to eat baby food. Baby food isn't like <u>Noun</u> or breast feeing. Baby food is mashed up things like mashed up potatoes or mashed up green beans. Sometimes a baby will star coughing. If so you should raise their arms up, well at least do something. When you're trying to calm a baby you need to remember they're <u>Noun - Piral</u>, don't get mad at them. Also if one thing doesn't work go to another thing.Some strategies to calm a baby down are sing a <u>Noun</u> or hold their hand. Sometimes when babies cry they might need a diaper change. Babies cry for a reason like if they need a diaper change or want to eat and sometimes have a <u>Noun</u> ache. Some people buy binkies for their babies to suck on, gnaw on ,chew on and stuff like that. People say don't swaddle your baby

it can cut their \_\_\_\_\_\_ off. If your baby is crying sometimes you to talk to them.
