## Keep the fires burning in the bedroom.

If you are in a long term relationship and sex has lost its thrill, or if you are a \_\_\_\_\_ Adjective slut and feel like you have seen it all before.

I have a \_\_\_\_\_ Number small steps that can increase your sexual enjoyment \_\_\_\_\_ Adverb.

This one should be \_\_\_\_\_ Adverb obvious, but in case it hasn't already crossed your \_\_\_\_\_ Part of the body goes...

.

Step 1. TRY SOMETHING NEW

examples:

if you are used to doing it missionary style, try doing it \_\_\_\_\_Animal style, if you are used to being quiet, try expressing yourself with a \_\_\_\_\_Excamation; or \_\_\_\_\_Excamation. If you are used to being \_\_\_\_\_Adjective and all over the place, try being really still and as quiet as a \_\_\_\_\_Noun. You can also consider introducing toys into action, like \_\_\_\_\_Plural noun vibrators, handcuffs, \_\_\_\_\_Plural noun whatever.....

At the minimum you get the thrill of trying something new, and you might actually discover you enjoy things you never imagined.

## Step 2. SET A MOOD

Your not home alone jacking off after all, put a little effort in to it, and make it \_\_\_\_\_Adjective and \_\_\_\_\_Adjective.

Example : wear something that makes you feel \_\_\_\_\_Adjective spray yourself with some \_\_\_\_\_Adjective perfume or cologne , try burning some incense or \_\_\_\_\_Noun scented candles, play some sexy music, like \_\_\_\_\_Band \_\_\_\_\_Band \_\_\_\_\_Band

or r \_\_\_\_\_ Band \_\_\_\_\_.

Whatever it is that gets you in the zone, figure it out and make it happen.

Step 3. Keep things spontaneous and \_\_\_\_\_ Adjective \_\_\_\_\_. Its ok to plan something special, but make sure to leave room for things to go in \_\_\_\_\_ Adjective \_\_\_\_\_ and unexpected directions.

Step 4. Have a Sexy presentation. Before you go and grab those sweat pants and slip into those crocks, think about your appearance and if that really gets YOU or anyone else in the mood for wild \_\_\_\_\_ Adjective \_\_\_\_\_ and \_\_\_\_\_ Adjective \_\_\_\_\_ love making. If the answer is NO, then go back to your closet and make a new selection with your \_\_\_\_\_ Adverb \_\_\_\_\_ Adjective \_\_\_\_\_ sex goal in mind.

Step 5. Stay fit. Eat a \_\_\_\_\_ Adjective \_\_\_\_\_ diet, get plenty of rest, and exercise \_\_\_\_\_ Adverb \_\_\_\_\_.

This makes you look Adjective and feel good. Plus if you want to have Adjective all night love making and mind Verb ending in ing orgasms , you gotta have stamina, and you can't get that staying home watching episodes of dexter eating Junk food chips. Plus exersize releases endorphones and its harder to be in a bad mood when your body is active. You gotta fix your head before you get in bed.

Step 6. Communication. Some people have a hard time expressing what they need. If this is YOU, let me tell you it is ALOT harder to go through life with a Adjective sex life then it is to tell your partner what you like and what you don't.

Plus some people find it a REAL turn on to hear things like "i love it when you Verb my Part of the body". There are lots of ways to communicate non verbally, like Adverb Verb ending in ing there Part of the body to your Part of the body or moving your Part of the body to thier Part of the body. But if that doesnt work SPEAK UP. I know it can be scary , but believe me, no matter how freaky you are or how normal you are, weather you like Liquid Past tense verb on top of you while screaming Excamation ho or just want simple Adjective intimate love making, whatever you are into, I can GURANTEE there are millions of people out there wanting the same thing.

Not

that you are not unique, you probably are, all I am saying is that sometimes the biggest risk is not taking one, and that you can't hit a target you don't have. So I urge you to take control of your sex life today. Apply these steps and have the Adjective sex life you have always Past tense verb of.

Thank me later.

Good luck.
