princesses

Once a Preposition or subordinating conjunction a time there were two Noun - Plural named Selena and Demi.

One wore Adjective. The other one wore Adjective. They often Verb - Past Tense but they

knew that they would always be Adjective - Superlative friends. Number day, Demi had stolen

Selena's Noun. Selena didn't know that until she called out her Noun - Plural name and he didn't

come Verb - Present Tense to her. Demi lied and said that she didn't take it. Then after awhile, Demi gave

back Proper Noun Noun and said she was very sorry for Verb - Present Tense. Selena was

Adjective for awhile but their friendship meant the Noun to her so she decided to forgive her.
