Walking

Today I went on a walk with my friend First Name of a Person. I also took my pet Animal with. We went and Verb - Past Tense ice cream for a while, but then got a call saying he had to head back home soon. He Verb - Past Tense across the street, and almost Verb - Past Tense into the Adjective Noun. There must have been a circus because there was a whole bunch of Adjective Noun. Then this Noun came and gave me all the leftover candy. There were lots of Adjective pieces of sugar sitting in my hand. Name of first person had to go t the left while I went to the right, so we departed and I walked my First animal home and ate the candy
