Once there was a Animal who was very old. He wanted to be young again. He decided to get a knight as a partner to find the Noun of youth. There was one problem though Article knight didn't want the youth he just wanted to slay the same animal. Article young same animal is worth more than an Adjective same animal because it will protect you longer when you enslave it. So the two partners set off to find the Noun of youth. Little did they know they were on a Adjective quest. For the evil witch Jonas had set many traps on the way to the fountain. Nevertheless the fearsome two set off on the quest for the legendary Noun of youth.
