It was a(n) Adjective morning at North Shore Country Day. First Name of a Person parked her Noun in the parking lot just 2 minutes before A Block Class so she had to run to class. It was Valentines day and she was planning to deliver a huge Noun to her friend as a gift. When she got to class she realized that her Noun had been forgotten. However, Teacher wouldn't allow her to go back so instead one had to be borrowed from First Name of a Person. About halfway through class, Name Ending in Apostrophe s phone rang and the ringtone was Song. The teacher took away her phone and gave them the punishment of having to clean Noun - Plural from the V. A few hours later at lunch her bad day continued. It got worse when she spilled her Lunch Item all over First Name of a Person. However she finally ran into her friend First Name of a Person and gave him the gift that she had been wanting to give to him all day. Additionally she gave him a basket full of Noun - Plural. That night they went to dinner at Restaurant and got Dinner Item.
