How it began...

On May 5th, 2006 Brendan and I met at a URI Cinco De Mayo fiesta. The _____^{Noun} was getting a little _____^{Adjective} so I went outside to get some fresh air. We first started talking out on the _____^{Noun}. He told me he was from Westerly, to which I replied, "OH that's near Burriville, right?". Since Brendan had a _____^{Noun} cap on and it was dark, I couldn't really see what he looked like. After a great _____^{Noun}, I wanted to try to get him in the house and into the light to introduce him to my _____^{Noun}. Not only was he good looking, but my roommate approved as well!

It was getting late and my _____^{Verb - Past Tense} wanted to leave. I was expecting Brendan to ask for my number so we could continue talking, but he never did. Instead, his cousin Chris asked if I had a _____^{Proper} _____^{Noun} page. I told Chris my name was Kayla Smith and don't forget it! I left thinking I would never hear from this good looking guy ever again, but sure enough that night I checked my MySpace to find a new message from Chris saying Brendan thought I was _____^{Adjective}! Chris went on to say Brendan didn't want to be a _____^{Noun} and ask for your number at a party, but he would like to _____^{Verb} to you again sometime. I replied with my phone number and _____^{Number} minutes later my phone starting _____^{Verb - Present Tense}.

The rest is history...
