3. Verb - Present Tense

# The Amazing Expereanse!

\_\_\_\_\_ threw the woods and they saw a bear. It got  
closer and closer and than...it attacked one person and than the other. The two people survived,got out their first  
aid kit,cured themselves,and kept on walking. Than they saw a treasure chest half way in the ground. They got  
some shovels and dug it out. Than they opened it and there was a ton of gold! They were rich!
