# Our cafeteria

Our cafeteria has \_\_\_\_\_ Adjective \_\_\_\_\_ food. I think that one of the meatballs had \_\_\_\_\_ Verb - Past Participle \_\_\_\_\_ to me.

The spaghetti is \_\_\_\_\_ Adjective \_\_\_\_\_ and I think there was a piece of \_\_\_\_\_ Adjective \_\_\_\_\_ chicken in there. My dad made me homemade lunch and he gave me a sandwich made out of \_\_\_\_\_ Noun - Plural \_\_\_\_\_. I thought to myself I will just deal with the cafeteria food.
