saw a Adjective, Adjective girl in the crowd. Next to her was a Adjective and

Adjective one. I saw one boy with a Adjective sitting on his shoulder. There was another boy with a

Adjective clothes and pink trousers. I sat down next to a Adjective and Adjective

girl. Then, the bell rang. It made a sound! sound. Then the teacher came in. she was Adjective,

Adjective had a/an clothes girl. "Alright, lets start the class now" she said in a Adjective

That was my first day starting at this Adjective school.
