# Art Day

I am so excited for Art Day! In the morning, I plan on getting ready \_\_\_\_\_ Adverb so that I am ready for the day. When I get to school, it will be hard to keep myself from running \_\_\_\_\_ Adverb into the classroom. I will talk \_\_\_\_\_ Adverb with the friends in my Eagle Group. I will make \_\_\_\_\_ Adjective art projects to bring home. I will also do some action art, and when I dance, I will dance \_\_\_\_\_ Adverb. It will be a \_\_\_\_\_ Adjective day. Tomorrow is Art Day, and I am ready to listen \_\_\_\_\_ Adverb and have a lot of fun!
