Song by John Donne

| Sweetest love, I do not, |
|--------------------------------|
| For weariness of thee, |
| Nor in hope the can show |
| A fitter for me; |
| But since that I |
| Must die at last, 'tis best |
| To use myself in jest |
| Thus by feign'd deaths to die. |
| |

| the Noun went hence, |
|---|
| And yet is here today; |
| He hath no desire nor sense, |
| Nor half so Adjective a way: |
| Then fear not me, |
| But believe that I shall make |
| Speedier journeys, since I take |
| More Noun - Plural and Noun - Plural than he. |
| |
| |

O how feeble is man's _____,

| That if fortune fall, |
|--------------------------------------|
| Cannot add another, |
| Nor a lost hour recall! |
| But come bad chance, |
| And we join to'it our strength, |
| And we teach it art and length, |
| Itself o'er us to'advance. |
| |
| When thou sigh'st, thou sigh'st not, |
| |

But sigh'st my soul away;

| My life's Noun doth decay. |
|--------------------------------------|
| It cannot be |
| Γhat thou lov'st me, as thou say'st, |
| If in thine my life thou waste, |
| Γhat art the best of me. |
| |
| Let not thy diviningNoun |
| Forethink me any ill; |
| Destiny may take thy part, |

When thou weep'st, unkindly kind,

| And may thy fears fulfil; |
|---|
| But think that we |
| Are but turn'd aside to sleep; |
| They who one another keep |
| Alive, ne'er parted be. |
