I Hate Crows

I do not understand _____^{Noun} because they are _____^{Adjective}, they eat roadkill squirrels that are still twitching, and for no apparent reason at all they go CAAAAAAAAAAAAAAAAAAAA! CAAAAAAAAAAAAAAAAAAAA! CAAAAAAAAAAAA! While the sea _____^{Noun - Plural} go caaa when they get a french fry from a macdonalds parking lot. One problem is that squirrels are stupid they run in circles when a car comes by and they get _____^{Adjective} and another thing is squirrels don't care where the branch starts and ends squirrels will just run off the branch hit the road and run in circles until they hit a car.
