The Best Teacher on the Planet

I am so lucky to be in Mrs. Saner's READ 180 class this school year. She is the best _____^{Noun} on the _____^{Noun}! She likes to tell _____^{Noun} and tease _____^{Noun}, but it is all in fun. I know she likes me best of all because she is always _____^{Verb - Present ends in ING} at me. Mrs. Saner loves _____^{Noun} and on really good days she shares it with me. She is my _____^{Adjective} teacher because she never assigns homework. I wish all my other teachers were _____^{Adjective} like her.
