# Alex's Mad Lib

In a           Noun           far far away, there is a person named Bob who owns a           Noun           that is named Castle Arian Bob. Bob           Verb - Base Form           the castle. It was two dollars and it has nobody dancing in the place. One day, an old woman came and danced until her           Noun                     Verb - Past Tense           off. She never came back, except one time when she said I want more to eat. A           Adjective                     Adjective           woman came and said I want more party. One day the castle broke and only one person came and turned it into a           Noun          . The castle kept braking, again and again and again.
