# Mariel & Ariel BFF & Roommates

Once upon a time there was the loudest, Adjective - Ends in EST pitched drunk you could ever meet, living in City, PA. But she didn't always live there, she lived all over Lower Merion, and of course you can't forget the great state of State. Probably because her Family Member was in the service, according to Nana E. Because she was such a success as a child Occupation, it's no surprise this girl was either best Noun - Plural with everyone, was their old neighbor, or just went to horseback riding Noun with them. Though she is prone to terrorist ways at times, including the infamous City experience, this Kind of Dog loving girl is simply obsessed with Melanie's gorgeous blue Body Part. But seriously, though they weren't the closest of friends in Mr. Lamey's advisory, Melanie is proud to call this girl a friends for Amount of Time, which she really attributes to the time she was home sick from school and had the Body Part - Plural to instant message this cool classmate and make some small talk. It's no surprise that they're besties, because these brunette bebs share a love of Noun, from ol' First Name of a Person Chiggins and Bobby Last Name of a Person to The Bachelor, but definitely not Matlock. Plus, they've shared adventures from trips to Florida where they saw the most talented floating Noun (not the time they saw each other in the State airport) and France when they picked up a Noun, with Frank standing by ready to shut down the Noun at any given moment, to the time they almost died on city line avenue Verb - Present ends in ING the jeep, or the time they impulsively went to get body piercings, to their adventures at JRs -- where everybody knows your name, and that you're not Number. Oh, and of course you better get your Body Part - Plural off my ice tray because my boyfriend doesn't have any Body Part - Plural on

his left hand. Even though Melanie has given her a hard time over the years, stealing multiple Noun -  
Plural from her, forcing boys in her face, and showing off her friend's sexy love bug Piece of Clothing,  
Melanie knows she can always count on this amazingly true friend, whether it be a friendly text during a  
Adjective poop, or saving her from the expanding figure of one First Name of a Person Toriello. But  
seriously, if Melanie had one message for her, it would be: Love you, not ya. First Name of a Person and  
First Name of a Person, best friends and roommates.

So, Full Name of a Person will you please do me the honor of being my Pronoun as I Verb -  
Base Form Joseph Thomas Young at Vie on Sunday, May 25, 2014?
