10. Sweet Food
11. Noun

Who discovered pi

Many _____^{job}_____ have been credited with discovering pi like _____^{Full Name of a Person}_____. Well, they did not
_____^{Verb}_____ pi, I did. It all started when I was _____^{Verb - Present Tense} _____^{Noun}_____. I wanted to make each
_____^{same noun} _____^{Verb - Past Tense}_____, so I decided to measure them to figure out. I realized when I was
measuring that when you divide the _____^{mathematical term}_____ by the _____^{mathematical term}_____, you get
approximation the same number. I tried telling people, but they were more interested in _____^{sweet food}_____ than
pi. Finally I wrote this story to tell you. Happy _____^{Noun}_____ day and don't forget to eat pie!
