My Friend the Panda

One day while <u>Verb-Base Form</u> out at my house I hear the doorbell ring. When I answered the door I found myself face to face with a Giant Panda. He was very <u>Adjective</u> and <u>Adjective</u> and told me that his name was <u>Noun-Plural</u>. When I asked him what he was doing here, he told me that he was in town for a <u>Noun</u>. He then told me that he needed a place to stay and that my house was the <u>Noun</u> place to get ready. I was completely <u>Adverb</u> that this panda thought my house was so great so I asked him what he liked about it. He told me that the house was ideal for him to <u>Verb-Base Form</u> in.
