Out of the office

Now, many of you will undoubtedly tease me for this, but I need to _____
today.

For those of you who are keeping track, today I will drive an inconvenient distance from my home to _____ my _____ by the _____. Then, I will run the _____ with the _____ as well. Depending on the timing, I may need to drive an inconvenient distance a second time for an _____. I am enthusiastically excited about all of this driving.

Instead of trying to come in "a little late" which would be closer to 10, and then leaving "a little early" which would be closer to 3, I'm just going to call the entire day a wash and take it off.

I will also ideally be stopping by the _____ to make a final decision between the _____ and _____. Heck, I may even make a day out of it and look at some boxes of _____. Woohoo!
