Camping Trip

We packed up everything we needed and we were out the door! It was time to go on my families annual camping trip. It took about _____ Number hours to get there, and I was going _____ Noun - Plural. My _____ Person was being a pain and my parents were playing music from the 60's. Once we arrived I _____ Verb - Past Tense set up the tent, and put all the sleeping bags down. We played a few active games outside, like _____ Sport and shuffle board. The sun was setting now, so my _____ Noun started to build a fire. We went into the woods to find the _____ Adjective stick to cook _____ Food and s'mores for later! The night was now dark but the fire still glowed _____ Adjective and crackled. The _____ Noun were dazzling in the sky and the mosquitos seemed to be sleeping already! My mom spotted out a huge _____ Animal near the _____ Fruit bushes on the camp site. We told scary, _____ Adjective stories while listening to the _____ Animal and crickets in the distance. Tonight was an enjoyable evening with my family.
