When the field trip went wrong...

another

decides the Same noun would make excellent dinner and catches the Same noun using a weapon . Back at camp, everybody is setting up for dinner when Person on the field trip realizes they forgot the cooler back at campus! Everybody else reluctantly gives them some of their dinners, so they end up eating a random dinner of <u>Meat food</u>, <u>Asian food</u> rice and <u>Generic food</u> from the meat, asian and generic food groups, respectively. To let off steam, ______ Person on the field trip _____ busts out a bottle of Typebrand of alcohol and it gets passed around the fire. When no one is looking, Person on the field trip takes a big swig and procedes to get drunk and start singing <u>song</u>. Everybody, exhausted, goes to bed. In the middle of the night, a pack of ______Animal plural ______ surround the camp and scare _______Person on the field trip who screams and wakes everybody up. Nobody can get back to sleep, and it is decided to get an early go at the day. After everybody packs up, one of the suburbans won't start. No one brought jumper cables. on the field trip takes a vehicle off-roading to find cell phone reception and calls AAA. AAA refuses to drive on ATV trails, however, and says they can't help us. So, everybody packs into the remaining vehicles and leaves the UA motor pool to deal with it. Everybody goes home and sleeps forever, skipping the rest of the semester's classes. The end.
