Mind Blown

Last night I went to Mark Toland's show. It was the _____ Adjective - Superlative thing I've ever seen. He was _____ Adjective and absolutely _____ Adjective. My favorite part was when he picked a _____ Noun from the audience and shot at them with a _____ Proper Noun gun. When he _____ Verb - Past Tense barefoot on _____ Noun the entire audience cringed. Mark's show isn't _____ Adjective like those other magicians you may have seen. It's _____ Noun and _____ Noun, and he knows how to _____ Verb with an audience.

The best way to describe the show is that I was mind blown!
