How to get a girl

The first thing to do is compliment a girl. Say something like, your Part of Body are pretty. She'll love that! Plus if you want her to go on a date with you say would you like to go to a Location with me? After that if she said no then its time to bring out the big guns. Tell her about yourself. One thing you could say is you want to see my Part of Body muscles? She will be dying to see it so she'll say yes. Show her your muscle and then ask her again, would you like to go to a Location with me? She will definitely say yes.

On the date make sure to dress Adjective. She will want to see you dressed up. Plus dont forget to pay for the dinner and buy her a Liquid. She is now yours!
