Somewhere in Boston

Our story takes place in the far-flung decade of the _____ DECADE _____ in a city forgotten by the rest of the planet.

Disgusted with civilization, a lone visionary collected followers and established a new world founded on the

principle of _____ SOCIOLOGICAL PRINCIPLE _____, sequestered away from the foolish masses in _____ UNUSUAL _____

_____ LOCATION _____. Superhuman powers are common, granted by _____ WAY YOU CAN TAKE MEDICINE _____, but not all is as

it seems. What was supposed to be a self-contained paradise has failed, and now an opposing faction wreaks

regular havoc in its underbelly. Enter our protagonist, a patsy to _____ DETERMINANT MANIFESTATION OF FATE _____ who

makes his fated trip to the city and up-ends the whole shebang, the ramifications of which none of the involved

parties could predict.
