# My boss' husband

My name is \_\_\_\_\_. I work as a \_\_\_\_\_ in the west side department of health. My boss Dr.

\_\_\_\_\_ has the sexiest husband alive. I was \_\_\_\_\_ of her and I wanted her out of the

\_\_\_\_\_, so i could have more \_\_\_\_\_ with him. He was a \_\_\_\_\_ also.

I went to the \_\_\_\_\_ and bought her a \_\_\_\_\_ of \_\_\_\_\_, over the counter \_\_\_\_\_,

and a plane ticket to south \_\_\_\_\_. When I gave it to her, I told her to have good time. She

\_\_\_\_\_ at me and \_\_\_\_\_ her husband goodbye and went \_\_\_\_\_ to pack her

\_\_\_\_\_. She soon left after that.

Finally! I walked up to George and exclaimed, "OH MY GOSH! We should go out for \_\_\_\_\_ sometime.

You know just to talk about \_\_\_\_\_. I feel like since we are in the same \_\_\_\_\_ we should get to

know each other a little better."

George agreed.

That \_\_\_\_\_ we went out for \_\_\_\_\_. He told me that he had a \_\_\_\_\_ and he was

thinking about divorcing his wife. I was there to comfort him and told him that if he needed someone to talk to i

would be there for him. I informed him that the ticket his wife had was for a month vacation and that this would

be the perfect time to do it. He agreed and the divorce was final. He had the \_\_\_\_\_ and \_\_\_\_\_.

It had been a couple days after the divorce and we had been getting together. He still had a week before his ex-

wife came \_\_\_\_\_ to get her \_\_\_\_\_ and he wanted her to see me with him. He wanted to get the

point straight across. Time was flying by.

The

day she came home, I was feeling. I screamed, "LIFE IS SO HARD!" That's when she pulled in the Noun. I think I almost peed. When she knocked on the Noun, George answered. I was in the Noun making Noun. She started to walk towards the back of the Noun and saw me in the kitchen. I panicked.

She ran into the Noun with the determination to rip my Noun off, but i kicked her in the Noun. She fell to the Noun and i dragged her by her Noun into the Noun.

We Verb - Past Tense and Verb - Past Tense for hours on end. Finally, we came to the Noun that this Noun was Noun.
