Kinky You

The night was and you were walking down the street when a about the age of
Number loops their arm around you Part of Body . "Come here you Adjective
!" they mutter and drag you back to their apartment. This was the person you once intended to
marry. And now that might be needed. They strip you down and lay you on the, roughly shoving
you into a good position. They finally make their move, your hips are touching, their lips at your
; kissing your body after the neck is finished. They really needed you, as the wet bed sheet proved. By
the round you are both gasping, all your clothes off and destroyed. The person turns to you and
kisses you again. "I love your body." And then you start up again, roughly shaking the bed, screams echoing in
the room. You put your mouth straight to their pleasure spot, and suck This eggs them on,
their hips practically part of you. The parts joined, and pleasure echoes through both of you. The bed sheet is
destroyed, and wet. You force in one last touch, before it all goes to the next level. Sucking and touching have
gone upscale. Murmurs have turned into screams. And sex was never more
