Will It? I hope So

Johnny is a talented Noun on Youtube. Julie here, finds him Adverb on December 2012. She fell in love with his Noun, Noun, and most of all, his Noun. She Verb - Past Tense to his songs everyday, singed along, everyday. She had no hopes to be Verb - Present Tense Johnny because he lives California, she lives Minnesota. Far Noun, eh? He did do a Adjective video to the Noun - Plural who voted on Facebook for him for Proper Noun 2013. He said her name, it made her very Adjective. But what should she do to meet him!? She's in love. Not a crazy fan girl, but more like.....Noun... She is so afraid that Johnny won't even Preposition or subordinating conjunction her at all, there's a 4 year gap between both of them. He's about to Noun, while Julie, is a upcoming Proper Noun. Follow along this story to find out what will happen.
