2. Verb - Present Ends In Ing
3. Verb - Past Tense
4. Adjective

# The Dentist

Our first project was a research paper exploring some of the causes of Mexican migration (economic

Proper Noun and immigration policies). Our second project will be an analytical essay exploring some of the consequences of Verb - Present ends in ING migration (cultural crossings and personal experiences).

By cultural crossings and personal experiences I mean 1) the different ways in which Mexican migrants

Verb - Past Tense the United States, 2) the different ways in which the United States changes Mexican migrants, and 3) the different ways in which migrants, their children, and Americans Adjective these changes.
