# A Dad and Son go to college

Once upon a           Noun           there was a           Adverb                     Adjective           teenage and a           Adjective           father that went to college           Adverb          . They both           Verb - Past Tense           to           Verb           new things. The dad was a           Noun           more           Adjective           strung then his son. And the son was a bit too           Verb - Past                     Participle           back for his fathers liking.
