

# Yellow Bus

1. Adjective
2. Noun

# Yellow Bus

I would like to tell you of a story known as the Adjective Noun. There once was a talking yellow bus that carry people from town to town every morning. This bus, however, ran out of gas one day. There were 16 kids in the bus who had to go to school by 8AM. The time was 7:45AM and they've been stalled for over 15 minutes.
