I don't know what you mean \_\_\_\_\_<sup>Verb</sup> your own adlib. I have this terrible assignment for class. I am trying to go to graduate \_\_\_\_\_<sup>Noun</sup> and my teacher is trying to teach us mad lib. I don't understand it but it's all good. I \_\_\_\_\_<sup>Verb - Non 3rd Person Singular Present</sup> like this is a waste of time but I guess I have to wait to see it pay dividends. I will eventually be \_\_\_\_\_<sup>Adjective</sup>. You will eventually see.
