Thank you

We would like to _____^{Verb} you both for the wonderful dinner, conversation and fun that we had Saturday night at 107 Maple Street. It was such a lovely relaxing time. Of course, now competition is on for us to match your dinner and dessert - let the games begin ;-)

One of the best moments was _____^{Proper Noun} that Henry is "such a handsome boy"! He might, finally, like us - hurray.

Thanks again for the fun evening.
