My Perfect Girlfriend

I met the most Adjective girl. I have never met anyone so Adjective and smart! We met at the band competition in place which was really Adjective. My favorite song they played at the show was "name verb!" She dropped her wallet so I gave it to her and she said thank you.

Then we started Verb - Present ends in ING and I asked her to go on a date with me. I was so nervous I could barely speak. I asked her if she wanted to go to a place.

She has long black Noun and a Adjective smile and her laugh makes me smile because it is so happy. I think she looks just like (famous singer singer).

Our date was fun. We both like Noun and animals. We both like ??? more than ??. After Verb - Present ends in ING dinner we decided to verb.

Yesterday I asked her to be my girlfriend. She said yes and I was so ecstatic that I Verb - Past Tense! I can't wait to meet her again next weekend.
