# Catch My Breath By Kelly Clarkson

I don't wanna be left behind

Distance was a friend of mine

Catching breath in a web of lies

I've spent most of my life

\_\_\_\_\_ waves, \_\_\_\_\_ acrobat

Shadowboxing the other half

Learning how to react

I've spent most of my time

\_\_\_\_\_ my breath, \_\_\_\_\_ it go, \_\_\_\_\_ my

\_\_\_\_\_ for the sake of the show

Now that you know, this is my life, I won't be told it's supposed to be right

Catch my breath, no one can hold me back, I ain't got time for that

Catch my breath, won't let them get me down, it's all so simple now

Addicted to the love I found

Heavy heart, now a weightless cloud

Making

time for the ones that count

I'll spend the rest of my time

Laughing hard with the windows down

Leaving footprints all over town

Keeping faith kinda comes around

I'll spent the rest of my life
