Taylor Swift - 22

It feels like a Adjective night to dress up like Noun - Plural

And make fun of our Noun - Plural, uh uh uh uh

It feels like a Same adjective night for breakfast at midnight

To fall in love with Noun - Plural uh uh uh uh

Yeaaaah

We're Adjective Adjective Adjective and Adjective at the same time

It's Adjective and Adjective oh yeah

Tonight's the night when we forget about the Noun - Plural, it's time uh uh

I don't know about you but im feeling Number

Everything will be alright if you keep me next to you

You don't know about me but I bet you want to

Everything will be alright if we just keep dancing like we're Same number, Same number

It seems like Number in words of those nights

This Location is too crowded too many Adjective Noun - Plural

It seems like Same number in words of those nights

We ditch the whole Location and end up Verb - Present ends in ING instead of Verb - Present ends

in ING

Yeaaaah

We're Adjective Adjective Adjective and Adjective in the Adjective way

It's Adjective and Adjective oh yeah

Tonight's the night when we forget about the Noun - Plural, it's time uh uh

I don't know about you but im feeling Same number

Everything will be alright if you keep me next to you

You don't know about me but I bet you want to

Everything will be alright if we just keep Verb - Present ends in ING like we're Same number,

Same number

I don't know about you, Same number, Same number

It feels like Same number in words of those nights

We ditch the whole Location

It feels like Same number in words of those nights

We won't be Verb - Present ends in ING

It feels like Same number in words of those nights

You look like Adjective Noun - Plural I gotta have you, I gotta have you

I don't know about you but im feeling Same number

Everything will be alright if you keep me next to you

You don't know about me but I bet you want to

Everything will be alright if we just keep Verb - Present ends in ING like we're Same number,

Same number

Verb - Present ends in ING like Same number, yeah, Same number, yeah yeah

It feels like Same number in words of those nights

We ditch the whole Location

It feels like Same number in words of those nights

We won't be Verb - Present ends in ING

It feels like Same number in words of those nights

You look like Adjective Noun - Plural I gotta have you, I gotta have you
