My Bizarre Friends

It's probably a	Adjective S	tatement to s	say that every _	Noun	has his or her ov	WnNoun -
Plural, but I ha	ve to say that m	ny friends are	e probably more	Adjective	than most p	people.
For example, my f	riend _{Name}	has an	unhealthy obse	ssion with	Noun - Plural	Day in and day out
, he'll beverb	Present ends in ING	away on	n hisNoun - P	lural and	Noun - Plural	, and has very
little time to spend	withNoun	- Plural .				
On a related note,	Name	spends all o	f his/her waking	hoursv	erb - Present ends in ING	<u>. </u>
Noun - Plural	His favorite	game is	Noun - Plural	of Noun -	Plural, but as	s long as he can find
some way to	Verb - Base Form	a bunch o	f <u>Noun - Plural</u>	and	Noun - Plural	, he's happy.
my buddy from co	llege,Name	, is a b	ig fan of collego	e football. Bed	cause she went t	o college in
Place, he	/she is what's k	nown as a	Noun	Noun_•	If a Noun	is verb -
Present ends in ING	on TV, she has	to stop ever	rything right the	n and there to	Verb - Base Foi	'm .
Finally, there's my	best friend of a	all. His real r	name is Matthey	v but his nickr	name is "	" because he
likes to take in	Verb - Past Tense	and	Verb - Past Tense	Noun -	Plural . I gue	ess that isn't too
strange, except for	the fact that he	e now has	number	Noun - Plural	in his	Adjective
Noun						

So, those are my bizarre friends in a nutshell. Like I said, everyone has his or her own quirks. People would									
probably find it odd that I	Verb - Base Form	and	Verb - Base	e Form	No	oun - Plural	for a living. In		
closing, the most poignant thin	ng I can say is tha	ıt no	Noun	_ is	Adjective	·
