# Nicky and Ethem's Love Story

Once upon a           Noun          , Nicky           Verb - Past Tense           down the street and saw Ethem. Her eyes lit up as she saw how           Adjective           he was. So she decided to approach him and get his number. That           Time of Day          , she called and they went           Verb - Present Tense          . He fell in love with her           Part of Body          , and she fell in love with his           Adjective           personality. But then she lost his phone number and couldn't contact him after their           Adjective           evening. So Ethem searched the           Noun          , the           Noun          , and the           Noun          , but she was no where to be found! Her           Noun           guided him to the           Noun           where he found his princess. He asked her to marry him and she said           Interjection          . They got married in the           City           Temple and moved to           Adjective                     Country          . Ethem got a job as a           Occupation          , and Nicky gave birth to           Number                     Noun - Plural          . They were a           Adjective           family and they enjoyed           Verb - Present Tense           together. After all her children had left home, Nicky and Ethem recieved a mission call to           Location           for           Number                     Unit of Time          . While there, they           Verb - Past Tense           and           Verb - Past Tense          . After there mission, they returned home to           Number           grandchildren and they lived           Adverb           ever after.
