## The child and his mother:

A curious           Noun           asked his mother: "           Proper Noun          , why are some of your hairs turning grey?"

The           to           tried to use this occasion to teach her child: "It is because of           Pronoun          , dear. Every bad action of yours will turn one of my hairs           Preposition or subordinating conjunction          !"

The child replied innocently: "Now I know why           Noun           has only           Adjective           hairs on her head."
