# how to eat a walrus.

how to eat a walrus is actually \_\_\_\_\_ Adjective \_\_\_\_\_ simple.

you cut of its head and fry it.

then you put it into a \_\_\_\_\_ Noun \_\_\_\_\_ fire.

the walrus will then cook and turn into a \_\_\_\_\_ Adjective \_\_\_\_\_ crispy meat. the skin will be a nice dark brown and

then you can eat it.

don't bite the tusk though.
