# Love Letter To Marckus

My \_\_\_\_\_  
Noun

During these \_\_\_\_\_  
Adjective few weeks, I've looked back to the beginning of the semester and tried to

\_\_\_\_\_  
Verb - Base Form out how exactly we got to this \_\_\_\_\_  
Adjective point. We've packed a lot of

\_\_\_\_\_  
Noun into a little amount of time. You've been my warm hug-giving acquaintance, my nighttime

\_\_\_\_\_  
Noun, my tough-love giver when I \_\_\_\_\_  
Adverb wandered through my fall semester and you knew I

could do \_\_\_\_\_  
Adjective for myself, my \_\_\_\_\_  
Noun, my confidante. You and I have spent hours together

\_\_\_\_\_  
Verb - Present ends in ING, sharing our thoughts and our dreams, \_\_\_\_\_  
Verb - Present ends in ING each other. And

no matter how many times I told myself that I wasn't going to fall for ya, I did, and I remember \_\_\_\_\_  
Adverb

telling you that one night in December with all the \_\_\_\_\_  
Animal (plural) \_\_\_\_\_  
Verb - Present ends in ING around in

my \_\_\_\_\_  
Noun. We've never known quite where we were \_\_\_\_\_  
Verb - Present ends in ING, and never quite tried

to figure it out. We've always sort of \_\_\_\_\_  
Verb - Past Tense along, \_\_\_\_\_  
Verb - Present ends in ING what we each

brought to the other's life. And through floating along without a plan, I've grown to \_\_\_\_\_  
Noun you and all

the time we spend together so very much. I know that it wont be easy to be without you this summer, and I know

that I will miss your \_\_\_\_\_  
Adjective presence every \_\_\_\_\_  
Noun, but part of me is \_\_\_\_\_  
Verb - Present ends in

ING \_\_\_\_\_ really hard to cling to the \_\_\_\_\_  
Noun I have in my \_\_\_\_\_  
Part of Body that keeps saying, "if there

would be anyone who I could get through this with, it would be him." I also know that life knows no

\_\_\_\_\_  
Noun - Plural. So we'll stick to our floating - whatever happens, happens - and all these \_\_\_\_\_  
Noun -

Plural \_\_\_\_\_ will sit in my \_\_\_\_\_  
Part of Body and make me \_\_\_\_\_  
Verb - Base Form for days and days and days.

With so much           Noun          ,

Your           Part of Body
