Birthday

With our many adventures together I cannot _____^{Verb} how much you mean to me. I recently got a tattoo that says 'everything happens for a reason.' I 100% believe that we were _____^{Verb - Past Participle} to be roommates. Without eachother our college experieences and group of friends would be _____^{Adverb} different. I _____^{Adverb} remember how unstressful/carefree our first few weeks of college were. Dorm drinking with our new found dormmates (Denise and Laura), was just the begining. Who would have guessed how those remaining 4 years would go? But we _____^{Verb - Past Tense} so stay _____^{Adjective} friends and formed a strong bond between not only ourselves, but with our group of friends as a whole. Even know we dont see eachother often I will always feel comfortable turning to you and I hope you feel the same about me. Here's to begining the next chapter of our lives: Mid 20's! We survived college together, we will _____^{Verb} the remaining years of our 20's together!
