Transferring back to my school

There were once two young _____ Noun - Plural who wanted to transfer back to their school after spending some time at another awesome school _____ Verb - Base Form new and cool behaviors. These two young men were able to work hard on learning appropriate behaviors, coming to _____ Noun when school was in session, and spending time on their academic work in order to move back to their home school district. The staff are so proud of these two young men, we will miss them _____ Adverb, but know that they have matured to a point where they are ready to spend their days getting to do new and special activities at their home schools. They will get the chance to be in _____ Adjective and other activities during and after school like special clubs and spend time with new and old friends. Their _____ Proper Noun at their home schools are so excited to have them back as well, they know that they are ready and will do a fantastic job. We all are excited about what the future will bring for these two amazing young men!
