Farewell, Mortar

My _____ Mortarons,

Working with you has been the _____ I can't believe how _____

the time has passed. It seems like just yesterday that _____ was teaching me how to

_____. I've had more fun and learned more about pioneering advances in

chronic _____ inflammation than I ever thought possible. Thanks again for the many

_____ times and _____ memories to remember you by!

PS. Please take good care of _____. (You know how _____ he gets when there are

_____ in his burrito.)

_____,

Sylvie
